## Premise Wiring

Wiring within the customer premise is not included in the service charges and must be provided by the customer. If the location is new, the wiring needs to be brought to the outside. LTS only connects to the outside of the building.

Feature Name	Description	Monthly Cost
Inside Wire Maintenance	Number of jacks:	\$0.20 per jack <input type="checkbox"/>
Whole House Wire Maintenance	Includes all jacks within the dwelling	\$0.75 <input type="checkbox"/>

If you do not subscribe to wire maintenance, the following charges will apply to service calls if the trouble is determined to be in the customer premise wiring. There is no charge if the trouble is in Lackawaxen's network.

Repair Costs: \$55.00 per hour plus \$9.00 per jack

Maintenance Visit / Trouble Charge: \$20.00 per visit

*If your landlord is responsible for the inside wiring, you may be billed and held responsible for charges. It will be your responsibility to collect from the landlord.*

## Long Distance Carrier Selection

You must select long distance carriers for your InterLATA and IntraLATA calls. The following carriers are available in our area: ATT, ATX, Capital, Excel, Frontier/Global Crossing, Lackawaxen Long Distance, LTS, MCI, Qwest, Sprint, Verizon, and several others. *(You may opt not to select a carrier, but there will be areas you are unable to call.)*

Who would you like as your InterLATA (state to state) carrier?

Who would you like as your IntraLATA (in state) carrier?

*It is your responsibility to contact the long distance carrier and set up your account. They will bill you directly for your long distance service, and only they can inform you of their rates and service plans. If you are unsure of how to contact your carrier, an LTS Customer Service Representative may be able to provide you with a telephone number to contact them.*

## Important Notice

***There is a three month minimum period of service. Your telephone service must remain connected for a minimum of three months or you will be charged for three months of basic service. Please initial here to confirm your understanding and acknowledgement of this policy: \_\_\_\_\_***

## Account Password

The Federal Communications Commission has issued an order stating that all telephone accounts must be password protected. This ruling requires that customers initiating calls to our office provide a password prior to us releasing certain information on the customer's account, that has been designated as proprietary by the FCC.

Requested Password: *(passwords must consist of letters and numbers and be a minimum of 4 and a maximum of 20 characters in length)*

## Applicant's Signature

I understand that the charges for the selected services and features will appear on my monthly telephone bill and I agree to keep my telephone bill current. I also understand that basic monthly service charges are billed in advance, so my first bill will be higher because it will contain a portion of the current month and the basic monthly charges for the subsequent month as well. The first bill may also contain non-recurring installation and setup charges.
